How can you quickly reach the Heavenly Paradise that Jesus Christ has carefully designed for all of His human followers...?

First, you have to realize that Jesus is actually a Person of the Divine Triune God YHWH, the Holy One that we call God The Son, Who sacrificed His human body—with enormous pain and agony— upon a torturous wooden cross in ancient Israel, for the benefit of all the Hindus in Nepal, and for the benefit of all the other ungodly sinners living on our planet.

Second, you have to become His devoted follower, one of those dedicated followers who remain faithful to Him in these Last Days, staying loyal and faithful to Jesus even if it brings you persecution, abuse, difficulties, or martyrdom. You'll have to repent of your sins, turn away from them, and remain faithful to Him... even until your final death on Earth... or till His Sudden Rapture of the Saved Remnant comes at last.

As I've described for you at length in my tract called "*Find Your Divine Destiny In... The Temple Of Miraculous Fire,*" Jesus brings a remarkable transformation to all persons that start to believe in Him. If he repents of his sins and his idolatry, turning away from evil to follow Jesus... making Him the King of his life and recognizing Him as the rightful King of the Universe... ANYONE can become a human "temple of miraculous fire" for the spirit of the Triune YHWH God.

This is another new kind of "reincarnation" for the human spirit... a kind that only got started about 2000 years ago, on the Day of Pentecost... when Jesus Christ sent His Holy Spirit to indwell every human follower that He had on Earth!

God The Spirit (also called "God The Holy Spirit") was sent by Jesus to His disciples on the Day of Pentecost, and Jesus meant for Him to be their eternal Comforter and Counselor... leading them to all Truth and Wisdom and Spiritual Power,

as each one of them lived out the rest of one single lifetime in a human body, while they were still here on Earth.

But Jesus also sends God The Spirit to indwell every human being who has ever become a genuine believer and a true follower of Jesus... and Jesus has done this reliably for all of the many years and centuries that have passed by in the last two millennia...!

This is how we modern-day Christians are especially blessed and are able to become "brothers" and "sisters" of Jesus Christ... sharing with Him the favor of His Heavenly Father!

Now did you understand everything I've just told you...? Let me delineate more sharply the two big points:

1) Jesus was a very special human being (and actually a God-Man combination) because His human body was **continuously indwelt**, from the moment of His birth on till the moment of His death on a cross, **by the spirit of God The Son**. Wow! What a great way to be incarnated, with one Divine Person of the Triune God YHWH implanted inside Him!

— It allowed Him to live a perfectly Holy and perfectly Sinless life for every minute of His Sinless Lifetime on Earth!

— And that Divine Connection stayed inside Jesus even when He rose from the grave in His Glorified Resurrection Body... as the First-fruits Example of His still-future general Resurrection Day, a miraculous day that would someday be coming for all of the Saved Remnant of Mankind!

2) **You yourself** can also become a very special human being (and a different sort of God-Man combination) by asking Jesus for rescue and salvation from all the sins you've committed in your current human existence. He will not only show you a faster way to escape the Wheel of Endless Suffering and the temples of Endless Cremations... Jesus **will put God The Spirit** (one Divine Person of Triune

YHWH) inside your own human body... to dwell forever in your breast, right beside your own human spirit!

— Having God The Holy Spirit inside your own human body as an Eternal Comforter, guiding you to all Truth in the wisdom of Jesus Christ, allowing you to soon reach the Heaven of Jesus Christ... is certainly the most wonderful of all the possible kinds of "incarnation" that a human being could ever imagine for his temporary lifetime on our planet Earth!

If you ask Jesus to help you be able to truly repent of your sins, and to help you turn away from all evil and all idolatry, so that His Heavenly Father will forgive you and bless you... then very soon you will want to start reading the Holy Christian Bible every day, on a daily basis... learning more and more about Him and His written history of humanity, the sacred record of the Holy Bible. And you'll want to start praying to Jesus and His Heavenly Father YHWH, the Triune God of Israel, on a very regular and a daily basis! In the process of doing these two things on a daily basis, you will soon see a marvelous result to your sincere prayer:

You will have become "reborn" in Jesus Christ!

Jesus promises you that you can become "born again" and become "a new creature" in Him. How is that accomplished? It happens when He sends one Divine Person of Triune YHWH to live inside your breast: God The Spirit... the very same Holy Spirit Who is the Third Member in the Divine Trinity of YHWH God.

Jesus says that all His followers, in order to reach His Heaven, must be "born again" while they are still alive in the current human body—the one that you have right now. It has to happen while you're still living in it, and while you are still experiencing your current lifetime on Earth!

Okay, I told you in my other tract how Jesus wants you to become a human temple for the Miraculous Fire of His Holy Spirit, and how the Miraculous Fire of God The Spirit will

remain with your own human spirit for all of the days of your lifetime on Earth... and it will even stay with your human spirit after your death, taking you quickly to the Heavenly Paradise that Jesus Christ has planned for you.

What I didn't tell you in that previous tract, which related slightly to my brief visit in 1979 at Nepal's second-most-important Hindu temple, the one at Muktinath... is this:

Jesus also tells us, as the Word of God Who actually wrote for us all the Scripture of the Holy Christian Bible, some other important facts:

1) When you are "born again" in Jesus, you are almost entirely transformed as the divine spirit of God The Holy Spirit is suddenly sent to indwell your human body. But at that time your old "animal" self still has to "be put to death" (*i.e.*, be suppressed and made much less powerful), so that you can become "a new creature" in Jesus Christ.

2) You are then transformed into "a new creature in Christ," and you will of course be hoping that you can continue your present lifetime on Earth in that clean new mode of godliness... as a newfound child of the Heavenly Father of Jesus. You have indeed become "born again" in Jesus Christ. And you have even become "perfected" to some extent in the righteousness of Jesus. But it may take you many additional years to become thoroughly "holy" and righteous in your lifestyle and daily behavior.

3) Remember this: Even though you are "born again" in Jesus and now have God The Spirit living inside your breast alongside your own human spirit, constantly urging you to lead your life with an attitude of holiness as you approach all actions... you are never going to become a Sinless God-Man on a comparable level with Jesus Christ, Who was Totally Obedient to His Heavenly Father at all moments during his human-body lifetime upon Earth... during the days of His Incarnation among the Jews of ancient Israel.

— It just won't happen; you will not reach the same level as Jesus Christ, no matter how hard you try. Every ordinary human being, even those who are "saved" and "born again" in Jesus, will keep on sinning— at least to some small degree— right up until the final day of death.

— Only Jesus Christ Himself, Who spent His entire lifetime in ancient Israel as the embodiment of God The Son, could ever live a totally Sinless and perfectly Obedient life for His Heavenly Father. That's why only He could become the spotless Lamb of God Who is God's once-and-for-all sacrifice for the sins of humanity.

— Only Jesus could be Fully God and Fully Human at the same time, only He could lead a Perfectly Obedient life for His Heavenly Father... and only Jesus, the Perfect God-Man, could ever be the spotless Lamb of God... the Holy One Who died for all the sins of humanity.

4) You will have to continue "putting to death" on a daily basis your "old self," which the Bible refers to as your "old man"... doing this every single day for the rest of your life!

5) The part of your "old self" that wants to resist the desires of God The Spirit Who now resides inside your breast... is the "animal" part of you (what the Bible calls "the flesh"), and it could still tend to lust after some familiar "pleasures" and habits of its former attitude toward the physical world, rather than always seeking after the spiritual goals of YHWH God.

6) Satan will still try to tempt you to sin as often as he can, and he knows that the easiest way to make you sin against the Triune YHWH God is by tempting you through your "old self," your "old man," the "animal" part of you. That part of your composition will still have a tendency to want to do bad things, in spite of your miraculous transformation that made you become a "new creature" in Christ.

— That's a vulnerable area that Satan will always try to use against you, because he still hopes to bring you down... so that you'll ultimately still join him for an eternity in Hell.

— Your "old man" is an animal part of you that probably still wants to enjoy lots of physical pleasures even when it's ungodly and sinful behavior that will be involved. Satan will try to make you think that your biggest inner desire is actually to start sinning again... like in "the old days."

— But God The Spirit is now inside you to be the Comforter and Adviser of your human spirit, and He will always remind you that you are now dedicated to Jesus... that He has bought you with a price... and so you are now planning to serve Jesus Christ and the Triune YHWH God, His Father in Heaven, for all the rest of your lifetime on Earth!

— After you've become a "new creature in Christ," you should try to never *willfully* continue in any repetitious sin-habit of which you are aware... or you will *grieve* God's Holy Spirit Who is within you. In such a case, prayerfully repent and try to turn away from the repetitious sin each time, after it occurs; ask for help from the Holy Spirit in defeating the problem, so that you don't end up looking like a hypocrite or a backslider.

7) You will thus have to keep "putting to death" your "old man" for every new day, every single day, every morning when you wake up... for all of the rest of your lifetime on Earth! This is why the Bible says that Christians must offer their lives to Jesus daily as a "living sacrifice" to Jesus Christ!

What this means for us is that the human temple of "miraculous fire" which a person becomes when God The Spirit indwells his human body... must also become, in a very real sense, something more than that. You must become also a human "temple of daily cremations" and even a human "temple of animal sacrifice"!

You do this on a daily basis as you repetitiously burn up your "old self," your "flesh," your "animal nature," your selfishness, your egotism, and any sinful desires you may have... so that your human body can be daily transformed

into a "living sacrifice" for Jesus Christ. In this way, you can start each new morning as a genuine follower of Jesus Christ... as one who is being transformed daily into a "new creature" in Jesus.

You can accomplish this through a lifestyle of daily Bible study and daily prayer, and you will thus please both God The Son and God The Father... as the enabling power of God The Spirit within you continuously transforms you into a "new creature" in Christ.

God The Spirit will interact with your own mind and heart, and with your own human spirit, to make you more and more like the Divine Jesus Christ... in your lifestyle and in your actions. This is a gradual process that we call the "sanctification" of a Christian, of anyone who is a genuine believer and a sincere follower of Jesus Christ.

Can you see my point here? You too can become a "Temple of Miraculous Fire," but your human-based temple will also be a kind of "Temple of Animal Sacrifice" in a peculiar way... and even, strangely enough, a "Temple of Daily Cremations."

Each day as you arise for the new morning, you must spend time in prayer and Bible reading, so that you are regularly fed by the Word of YHWH God and have new energy for your daily activities. And you should also pray each day that the Holy Spirit within you, the Divine Person Who is God The Spirit... will strengthen you in your desire to suppress any carnal and ungodly urges that may arise within your mind.

Always ask God The Spirit, the Divine Holy Spirit of Triune YHWH Who now lives inside your breast, to help you suppress any sinful habits from your "old life" that may be trying to regain a position of importance within your mind.

These evil ideas or thoughts may come forth from your "old self," which doesn't seem to be willing to completely die! But

it's really the voice of Satan talking in your mind, trying to tempt you back to the ways of evil men.

Pray frequently and get the assistance of God The Spirit Who now resides within your breast. In this way, you can more easily resist the daily temptations of Satan, that ancient Adversary of the Triune YHWH God.

In a peculiar way, strangely enough, becoming a Christian "temple" for Jesus reminds me just a bit of... not only Muktinath's "Temple of Miraculous Fire," which is the goal of so many diligent trekkers and pilgrims, a place dedicated to "the Lord of Salvation"... but also just a bit of Nepal's Pashupatinath that exists right there in Kathmandu.

Can you see a little parallel here... or am I the only one capable of seeing a tiny connection between these two concepts? Human corpses are burned up and cremated on an almost daily basis upon the ghats beside the Temple of the Animals which is the Hindus' famous Pashupatinath Temple... long ago dedicated to the Hindu god Shiva, their god of Death and Destruction... and of Endless Cremations.

It is a temple of cremations through which only a few people (among all the many Hindus that pass through it) may have a hope and dream to someday escape from the Wheel of Endless Suffering. After the bodies are burned up in the almost daily cremation ceremonies, the ashes of dead Hindus are put always into the Bagmati River that is at its edge.

The Bagmati River is revered by all Nepalese Hindus, and is believed by them to be a holy river, "a river of life."

But in Truth, Jesus Christ is the ONLY Holy One Who ever lived on our planet Earth, and He Himself is the holy "river of life" for all of humanity. Jesus invites you to come and drink of His "living water"—the Divine Water of Life—because only He is a Fountain of Living Water, and a Fountain of Eternal Life that comes to you from the eternally Triune God YHWH.

Even though Jesus turns the body of a Christian believer into a "temple of miraculous fire," in which you will have to daily put to death the "old self" of your "old man," a process that we compare here, symbolically, with the daily cremations that take place in Nepal's Pashupatinath Temple... the new Christian believer will never have to worry about someday having their real-life corpse actually burned up in the end-of-life cremation ceremony of the Hindu religion, or any other kind of terminal cremation. There are at least 2 reasons for this:

1) The Bible teaches that the Jews of Old Testament times, and later Jews and Christians too, have a long historical tradition of using burials instead of cremations for their funeral services. In the United States, for example, not one human being is recorded as having been cremated until the last two decades of the 1800's.

2) Christians believe that we can move smoothly on to Heaven's Eternal Life with Jesus without ever having any necessity for our physical bodies to be really burning or burned up (either on Earth or in Hell)!

Put your human body—the one you are in right now— into the loving embrace of the Holy River of Life that is Jesus Christ.

Become a True Believer of Jesus Christ, one of His many sincere followers on this planet Earth.

Be baptized in water to show your commitment to Him as your new Lord and Master... and to show that you are starting a new life as "a new creature" in Jesus Christ!

Let Jesus become the Guide and Captain of your days on Earth, the Navigator for your human lifetime and for your thirsty human body as it sails through its days in His Universe.

Jesus declares that anyone who comes to Him, and then chooses to freely drink of the Living Water that He offers, will never again need to feel thirsty for the spirit of God.

Jesus will take you a lot farther than Nepal's Bagmati River ever could... farther even than could the Ganges River of India, to which it is ultimately joined. And when the day finally comes for your own funeral ceremony, you will find that, by riding daily on the River of Life that exists in Jesus Christ... He has led you to some very handsome rewards:

On that special day, when you finally go through the doorway of Death (or through the passageway of His Sudden Rapture into the air, if that should come first), you will surely be pleased to discover that Jesus Christ and His Holy River of Life have led you to:

1) the Eternal Heaven of His Triune Father's Presence, and all the glorious sights of the Holy City of God, which is His New Jerusalem

2) another River of Life that exists right in the middle of the New Jerusalem; and you will see growing on both sides of that river many outgrowths of "the Tree of Life," which produces on each tree 12 different kinds of fruit, with each tree producing these fruits in every month of the year—all year long

3) the knowledge that the Living Water of Jesus was really a Fountain of Eternal Youth for you... as He produces for you the young and healthy new body that will be your future possession, for all of eternity

4) the joy of being reunited with many fellow believers in Christ on the Resurrection Day

5) a personal mansion where you will reside forever in the Holy City of His New Jerusalem

6) a future time in which you are privileged to experience the remodeled earthly Paradise of His New Earth

7) all the joys and pleasures of an eternal lifetime with God in the Eternal Kingdom of the Triune YHWH God.

* * *

You gain Eternal Life with YHWH God by placing Jesus Christ, Who in the Trinity of YHWH God created our Universe, upon a throne at the center of your heart! He

deserves that position and that kind of respect. He was first God The Son, but when born in human flesh He became the only sinless and righteous person who ever lived. Yet He has sacrificed Himself on a cross for your sake, taking all guilt and sins upon Himself— for you and for me, and for all people everywhere on Earth— that whoever wishes for salvation may be rescued from the due punishment of sins.

If you will do this, you will gain a new contentment and peace as you accept Triune YHWH God's great organizational plan for the Universe . . . because you'll be letting Triune YHWH God be the Ruler of All Things in this world . . . and in your own life.

All it really takes is a simple but sincere little prayer— one that you should make up in your own words. The prayer for deliverance and for the Triune YHWH God's leadership should come from your own heart!

Some important elements that you might include are:

- 1) your desire to turn away from the wrongness or evil of your past life, and your remorse over the sins of your previous life,
- 2) your desire for Triune YHWH God's forgiveness and mercy through the act of sacrifice of His Only Begotten Son (Jesus Christ),
- 3) your desire to know Triune YHWH God's leadership in your life,
- 4) your desire to learn more of Triune YHWH God's truth through Bible study,
- 5) your desire to find fellowship with genuine believers.

When you're saved, you'll know Jesus is King of the Universe, and also the Lord and Master of your life. You'll know the three faces of YHWH God Almighty: God The Father, God The Son, and God The Spirit.

His Holy Light will start to be visible in your own face and actions!

Jesus said of the people of God that "The kingdom of heaven is like a net that God has cast into the sea, and it gathers of every kind: When it is full, it will be pulled up on the shore, where they will sit down to sort the catch, and they will collect the good fish in baskets, but the bad things will be thrown away. This is the way it will be at the end of the world: The angels shall come forth, and they will separate the unrighteous persons from among those justified by God . . ."

Excerpt from the book of Matthew, who was a constant companion of Jesus and his devoted disciple [13:47-50]

Jesus spoke of the people of God as being like a seed that is growing secretly, saying, "As for the kingdom of God, it is as if a person should cast seed into the ground; and then he sleeps, and he rises up night and day to see that the seed is springing forth and always growing up, although he knows not exactly how. The Earth is bringing forth fruit from itself; first the blade, then the ears of corn, and after that the fullness of the ears of corn. And when all the fruit of the Earth has come forth, immediately God will use the sickle to reap the fields, because the harvest-time has come."

Excerpt from the book of Mark [4:26-29]

It's extremely important for all of us to remember this:

- 1) **WE SPEAK TO TRIUNE YHWH GOD** by our prayers.
- 2) **TRIUNE YHWH GOD SPEAKS TO US** by the words of His Holy Scripture, in the Word of God written by His Son.

So we must try to read His words and His Book just as often as we possibly can... on a daily basis!!

Almighty YHWH, The Triune God of Israel and all the Earth, wants to bless you through His Only Begotten Son of Man, Jesus Christ— Yeshua, the Messiah of Israel... the

soon-coming King of Israel and all the Earth— so let Him reward your search with the grace of His forgiveness and enlightenment!

Triune YHWH God wants to bless you for all your long efforts to understand this very confusing and difficult Universe in which we live. He wants you to be spared from the normal wages of sin and the terrible Day of His Wrath that is yet to come— so let Him reward your lengthy search with the grace of His forgiveness and His enlightenment!

It's better to show good sense now—today— before His Judgment time arrives... so you can't end up regretting your choices for all eternity.

Life and Death have been placed before you. The Word of God says, "All those who hate Me love death." Choose eternal life with Jesus Christ and His Heavenly Father... not an eternal darkness with that evil ruler whom Jesus called "the Prince of Darkness." As God's Only Begotten Son warned us long ago... the Evil One named Satan is forever a murderer and forever the Father of Liars.

Choose new life in Christ, not the ages-old tyranny of Satan... and you'll at last find the narrow path to Heaven... avoiding the popular Wide Road that leads only to the torments of Hell.

Acknowledge the Wisdom of Triune YHWH God... the Righteousness, Holiness, and Divinity of His Only Begotten Son of Man... and the Heavenly

Father will no longer see your own sins and shortcomings. They will all be hidden from His sight by a cleansing in the sacrificial blood of Jesus Christ, the Lamb of God.

Choose to love YHWH God's Way of Life and growth—not the Liar's way of self-destruction!
